

Dear Friends,

A very warm greeting and a wish: may your beloved ones and yourself be in a good health despite these difficult times for all. Time passes and we don't see the end of this COVID-19 pandemic.

On March 13th, 2020, we announced a possible future edition of the Viking Classic Autoshow (VCA) in June 2021, which meant a whole year later. At that time we were thinking it would have been a long enough time to get a safe organisation and a high quality event level.

Today, with a great disappointment we must definitely cancel the VCA. At a national or international level, the perspectives are very low as in the same time the risks level is very high. In addition, travels restrictions are fluctuating, for our foreign partners and visitors. Last but not least, budgets are not there: each of our supports and sponsors are busy going through this crisis. Their possible investments in the event are no longer relevant.

In this context we have to be collectively lucid: in those conditions we can't celebrate our cars. We first are sorry but no doubt you will understand our decision.

Henceforth, the most important thing on our point of view is that you take care of yourself and your families, and we wish you all the best.
